BRISBANE, AUSTRALIA – Brett Pointon, CEO and founder of Imagine Hotels and Resorts, announces the group's first Australian property with the opening of **Imagine Marco, Southbank Melbourne**.

Set amongst the vibrant fashion, arts and dining hub of Southbank, Imagine Marco Hotel is purposefully designed to combine space, service and style in one seamless guest experience ... the first of many for this burgeoning Australian Hotel Group

Imagine a place to stay in Melbourne where you'll feel at home every time. Beyond the essential's you'd expect such as separate living and dining, in-room laundry, luxury kitchen, Foxtel and Wi-Fi, you'll feel the difference as soon as you walk in. Imagine timber floors under foot, fresh air on your private balcony, room to breathe, and interior touches that surprise and delight. The details that make the difference.

"We started with the quintessential mark of a great hotel, the Hotel bed" said Brett Pointon on the Hotel's signature bedding. With over 200 rooms, gym, pool, cinema and Lobby Café (opening May), the Hotel offers a range of 1 & 2 Bedroom apartments, Junior & Executive Suites, making Imagine Marco the property of choice for corporates, short or long breaks and family vacations alike.
